PHILIP MORRIS U. S. A.

RLD

INTER-OFFICE CORRESPONDENCE

RICHMOND, VIRGINIA

To: Distribution Date: August 14, 1980

From: Leo F. Meyer

Subject: Mr. L. C. Jennings, Leaf Department

Mr. Larry Jennings, Assistant Supervisor of International Leaf Services, will be spending the week of August 25 at the Research Center to become more familiar with our programs and capabilities. Larry already has some familiarity with the Research Center having served on Project Trinity and 3 mg Task Forces and as a Leaf liaison person on our Merit Ultra Lights program. A familiarization itinerary for his visit is attached. In the event of your absence or inability to accommodate Larry's schedule, please see that an appropriate substitute is available.
